ORDERS settled by the JOCKEY CLUB.

May 26, 1770.

RESOLVED by the members of the Jockey Club to meet annually at dinner on the day preceding the King's birthday.

RESOLVED, that three members of the Jockey Club should be appointed stewards, and to commence their office on the fourth of June annually. One new steward to be appointed every year on the third day of June, by the steward who quits on that day subject to the approbation of the members of the Jockey Club then present.

THE first and second vacancy of the three stewards now named, are to be settled by drawing lotts, and ever afterwards the senior steward is to quit his office on the third of June, annually.

RESOLVED, that the three stewards or any two of them shall be vested with full powers to make such regulations as they think proper in regard to the exercise ground and course.

AND that the three stewards concurring, shall have it in their power to appoint such person or persons as they may chuse to keep the coffee-house, match-book, receive the stakes, and to collect the entrance money, and all other funds belonging to the Jockey Club.

THE stewards are to be responsible to the Jockey Club for all the money collected, as belonging to the club, and, for the stakes made, and delivered to the person or persons appointed by them for that purpose.

THE stewards shall have it in their power to fix the hours of starting for each match, &c. But they shall be obliged to fix those hours of starting by eight o'clock on the evening receding the day of running.

THE accounts are to be produced by the stewards annually on the third of June.

RESOLVED, that in case any gentleman who keeps running horses has cause to complain of any feeder, rider, groom, boy, or other person employed by him, or intrusted with the knowledge of trials, of having discovered them directly or indirectly, by betting or wilfully in any other way (unless allowed so to do by his master) or if any person as aforesaid, living with any gentleman, shall be discovered in watching trials himself, or procuring other persons so to do, or by any unfair means whatsoever endeavouring to discover trials on such complaint being carried to any one of the Stewards, that Steward is to summon a general Jockey Club Meeting, as soon as convenient, which meeting is to appoint a committee of three members to examine into the accusation, and in case they shall be of opinion that the person or persons is, or are guilty of it, then the persons so found guilty shall

be dismissed from the service of his master, and the said persons shall not be employed by any member of the Jockey Club in any capacity whatsoever, nor shall any horse, &c. fed, or rode by him or them, in the management of which he or they are concerned, be suffered to start for place, match, or subscription.

RESOLVED, that the names of the persons found guilty of those offences, shall be exposed in the Racing Calendar, and inserted in a paper to be fixed up in the coffee room at Newmarket.

I. IT IS AGREED that a copy of all stakes to be made for matches, subscriptions, and sweepstakes, and the day and hour of shewing, or entering, shall be fairly wrote out and fixed up by the order of the stewards on the side of the chimney piece at each end of the coffee room, on the Sunday evening before each meeting, to continue there each day of the meeting, as notice for staking, shewing, or entering, and no other shall be insisted upon.

II. A DAY BOOK shall be kept by the persons appointed by the stewards, and continue in the coffee-room, in which shall be entered an account of all matches, subscriptions, and sweepstakes, to be run for each day, within that meeting, and as the different stakes are made, the payments shall be marked to the names of the persons so paying.

III. ALL STAKES shall be made in cash, bank bills, bank post bills properly indorsed, bankers notes payable to bearer, or bankers notes payable to order also properly indorsed, and not otherwise, without the consent of the party or parties present concerned in the match, subscription or sweepstakes, on whose account such stakes are made.

IV. ALL STAKES for matches, subscriptions, and sweepstakes, shall be made before starting for the same, and in default thereof by any person, he shall forfeit in like manner as if he had not produced his colt, filly, horse, or mare, to start, and shall have no claim to the stake or stakes of the match, subscription or sweepstakes, should his colt, filly, horse, or mare, have started and come first; and the said colt, filly, horse, or mare, shall be considered in regard to all bets whatsoever, as if forfeit had been paid; and this to remain in full force as an established agreement of the Jockey Club, unless such person has previously obtained the consent of the party or parties present, with whom he is engaged, to dispense with his making his stake as aforesaid.

V. ALL FORFEITS unpaid before starting for any match, subscription or sweepstakes, shall be paid to the persons appointed by the stewards to receive the same, at the coffee room before 12 o'clock at night of the day such forfeits are determined; and each person making default therein, shall forfeit and pay to the persons so appointed by the said stewards, after the rate of five pounds for every hundred pounds so forfeited, which shall be disposed of by the said stewards towards such uses as they shall think fit.

VI. AND in order to prevent frauds, notice shall be given that if any person make any bett or betts from signal or indication, after the race has been determined at the post, such person is not intitled to receive, or liable to pay the same, as such bett or betts are fraudulent, illegal, and totally void, and that if any servant belonging to a member of the society shall be found to have made or engaged in the making any such bett or betts he shall be dismissed his service, and no further employed by any member of this society.

RESOLVED, that all forfeits or money paid on compromising any match or sweepstakes shall bona fide be declared and entered in the day book, in order that all betters may be put upon an equality with the persons who had the match or sweepstakes, and may thus be ascertained in what proportion they are to pay or receive.

RESOLVED, that the stewards of the Jockey Club shall appoint some proper person to examine every colt or filly, being at the age of two, three, or four years, at the ending post immediately after running, the first time any colt or filly shall start for any plate, match, sweepstakes, or subscription at Newmarket, and the said appointed person is to sign a certificate of such examination, and his opinion thereupon, which certificate is to be hung up before eight o'clock the evening of the said day of running in the coffee house at Newmarket.—But for all plates, matches, subscriptions, or sweepstakes, where the colt or filly are required to be shewn before running, the examination as above-mentioned shall be made at the time of shewing them, and the certificate of the person appointed shall immediately in like manner be fixed up in the coffee room at Newmarket.

S T A L L I O N S T O C O V E R,

N. B. The sire of Lord Grosvenor's Bodfach, was got by Blank, out of the full sister of Chrysolite's dam.

Such gentlemen as chuse to engage him, are desired to give notice to Thomas Fawconer, in Chancery Lane, London.

He covers at the town of Grimthorpe in Lincolnshire.

The KHALAN ARABIAN covers at the same place, at ten guineas a mare.

The money to be paid at the time of covering the mares; there is plenty of fine pasturage, and conveniencies at the usual rates.

Good grafs for mares.

The DAMASCUS ARABIAN will cover at the same place, at five guineas a mare, and five shillings the servant, there are great conveniences for the mares, and proper care will be taken of them.

N. B. The money to be paid when the mares are taken away.

To cover the ensuing season, the fine bay Arabian horse DOWLA, at Mr. Oxlade's at Bisham Park near Maidenhead in Berkshire, at ten guineas a mare, and five shillings the groom;—Dowla was bred in the mountains of Moses, in Arabia, by the Imaum, or King of Senna, whose medal he was chose to wear, at three years old, on account of his being the finest high bred horse in Arabia Felix. He was brought down the Red Sea to Mocha, and from thence to England, in the Royal Charlotte East-Indiaman, commanded by Captain John Clements in the year 1767.

N. B. The above horse is remarkably strong and boney, all over sound, and free from blemish, now 7 yrs. old, and has the merit of being allowed by all who have seen him, to be superior in shape, size, and strength, to any Arabian ever brought to this kingdom.—Colts of his get may be seen at Mr. Oxlade's, which are remarkable for bone and fine shape.

Note, There are exceeding good conveniences for mares, at Bisham-Park, where the greatest care will be taken of them.

Maidenhead is twenty-seven miles from London. The money to be paid before the mares are taken away.

BABRAM BLANK will cover the ensuing season at Warter-Hall, near Pocklington in Yorkshire, at ten guineas a mare, and 5s. the groom. He is got by old Babram, out of an own sister to old Blank.

Good grafs and proper care.

N. B.

N. B. He is the sire of Creeping Kate, who last year won the 4 yr. old plate at York, and this year the king's plate at Hambleton, and he is also the sire of Starling, who won the 4 year old plate last year at Hull, and the gold cup this year at Scarborough.

DUNCE will cover the ensuing season at the great Lodge in Windsor great Park, Berks,—being the property of Bernard Smith, stud groom to his majesty, at three guineas per mare, and three shillings the man, the money to be paid at the time of covering, or when the mares are taken away.

The bay horse DUNCE, which was bred by his late Right Hon. the Duke of Cumberland; he was got by young Cade, out of a daughter to Blaze, son of the Devonshire Childers, which mare was the dam of King Herod, Dapper, Dumplin, and Mr. March's famous horse, Holyhock, to which last horse Dunce, is own brother both by horse and mare, and is thought to be the best five year old horse in England.—DUNCE is a fire blood bay, with three white heels, a blaze down his face, is full fourteen hands three inches high, and is allowed to be one of the strongest and compleatest stallions in the kingdom, he is entirely clear of all natural blemishes of what kind soever. (He never started but twice, he won the eight hundred guineas, sweepstakes at Newmarket, in April 1764.

N. B. This will be the second season of his covering. Good grass for mares, with proper care.

F 2

To cover this season 1771, at the Castle at Epsom, BOSPHORUS at 5 guineas a mare, and five shillings the servant, the money to be paid before they are taken away, there will be good hay, grass, &c. and proper care, the above horse is sire of Ld. Craven's Warwickshire Wag, who has won 8 times out of 13 that he has run, and also has received 250 gs. forfeit from Mr. Blake's Hyder Ally; Noblemen, gentlemen, &c. may be assured that no horse of this sort ever had so bad a chance of getting a racer, the proprietors not being breeders, have never put a mare of their own to him, neither has he had the dam of any capital runner, but as he has produced a racer from a mare, which never bred a better, though been covered by Blossom, Snap, &c. which makes it clear of all doubt, if he had an equal number of good mares, would get as many good racers, as any of the present stallions as he is of the same blood, as the present first rate horses descended from, viz. Childers, and the Godolphin Arabian, whoever pleases to send a mare to this horse need not in the least fear of having their expectations answered from him as soon as from any other, which may cover at a much higher price; he is upwards of 15 hands high, of just proportion, very healthful, and free from all blemish, and in his time a good racer, both with high and low weights, for particulars see the account of stallions in Heber's book, from 1763 to 1768.

To cover the ensuing season at Bisley Gloucestershire, BRITANNICUS nine years old, full fifteen hands one inch high, quite fresh, sound and healthy, at two guineas and a crown each mare.

Bred

Bred by Mr. Aldridge, got by the Duke of Ancafter's old Blank, a fon of the Godolphin Arabian, his dam which was Creeping Molly, esteemed the beft mare racer of her time, and was alfo the dam of Americus; by old Second, a fon of the Devonshire Childers, grand dam by Evans's Arabian, great grand dam bred by Sir William Morgan, and got by his old Cartouch, fon of the Bald Galloway.

He was lamed the latter end of his five years old, year before then was a good runner, covered only two seasons, the stock of his get, now rising yearlings, are remarkably strong, large, boney and very clever: And from proper mares is as likely to get racers, as any horse in England.

Grass for mares, and proper care taken to have them stinted.

The JILFY ARABIAN (formerly called Martin's Arabian) will cover mares this season at Mr. Bond's at Mitcham, in Surry, at 10 guineas a mare, and five shillings to the groom, this horse is very strong and boney, and is esteemed as high bred an Arabian as ever came to England, and gets very fine stock, he is the sire of the Earl of Orford's colt, called Scymetar, who won a match at Newmarket, in April 1769, then rising 3 years old, which was the first of his get that was ever trained.

N. B. There is good grass for mares, with proper conveniencies and care.

Swiss will cover the ensuing season at Milford near Tadcaster Yorkshire, at ten guineas a mare, and a crown the servant, he was got by Snip, and own brother to Snap.

LOFTY will cover at the same place, at five guineas, and a crown the servant, he was got by the Godolphin Arabian, his dam by partner and called the Whittington mare, She was likewise the dam of Mr. Shepherd's stallion Crab, Lofty's Grandam was got by Bloody Buttocks, and was own sister to the dam of Squirrel.

OMNIUM will cover at the same place, at three guineas a mare, and a crown the servant, he was got by Snap, out of an own sister to young Cade.

The fine brown ARABIAN, late his grace the D. of Northumberland's, will cover at the same place, at five guineas a mare, and a crown the servant.

He is the sire of Nonsuch, that won the eight hundred sweepstakes at Newmarket, and of Acc-ton that won several matches and prizes, and of Mr. Parker's mare that won several fifties this year and last, and also of Mr. Shafto's Mitimus, that won the five hundred sweepstakes at Newmarket, in October last, and there are not above two more of this horses get yet started.

N. B. Good grass for mares, and proper care taken.

REGULUS will cover the ensuing season, at the Angel Inn at Cattrick near Richmond in Yorkshire, at three guineas a mare, and five shillings the servant, he was bred by me, and got by old Regulus, out of the noted Martindale's Sappho, is the nearest in blood to old Regulus, and the Godolphin Arabian of any one.

Old Regulus was got by the Godolphin Arabian, out of grey Robinson, got by the bald
Galloway,

Galloway, his grand dam by old Snake, and his great grand dam was old Wilks, got by Haut-boy.

Sappho was got by old Regulus, out of Lodge's roan mare, got by partner, out of a sister to old Mixbury, got by Jigg, her grand dam by Dale's horse, bred by Ld. Cardigan, out of a full sister to Leeds, and got by the Richmod Turk, her great grand dam by Why Not, got by Fear-nought Barb, her great great grand dam by Wilkinfon's bay Arabian, out of a natural Barb mare, bought of Ld. Arlington.—As witness my hand,

Francis Salt.

N. B. Regulus in 1768, the first time he started, won the four year old plate at Ascott, in a high form, but his off-hip being struck down, he could not stand training and running. He is near fifteen hands high, and very boney, and any mare having won a royal plate, is at liberty to be covered gratis.

Good grass for mares, and great care will be taken of them.

The bay Arabian horse ZAHARA, in May next, will cover at Guilford, in Surry, at three guineas, and 5 shillings the servant, till then, where he now is, near Portsmouth Hants,

He is 15 hands 3 inches, and in high health, having got the better of all ails, occasioned by two long Sea voyages, first from Algiers to Gibraltar, and from thence home, as proper certificates will be left with the servant, the gentlemen of the Turf, are referred to as fine a made horse, and as likely a figure to get running cattle, as any
ever

Much

Much with strict justice might be said, in favour of Snap, and his colts, but let it suffice that he has the best constitution of any known stallion of the present age, with blood and shape superior to most, and if he had been in the hands of any man of spirit, it is not doubted but he would have made the capital horses of that time submitted to his invariable powers, over the Beacon or any other Course.

The following RULES relating to the Method of matching and fighting of Cocks in London, said to have been in Practice there ever since the Reign of King Charles II.—Which Methods in fighting a Main are,

That after the Cocks of the Main are weighed, and the Match Bills are compared.
